NAD.1169/55

Endorsement No.1169, dated the 11th March 1955, from the Deputy Commissioner of Agricultural Income-Tax, Coorg.

Subject:- Agricultural Income-Tax Appeal No.5 of 1955 by Sri M.Siddalingappa against the orders of the Agricultural Income-Tax Officer, Coorg.

Sri M. Siddalingappa, Mahadevpet, Mercara, has preferred an appeal to the Deputy Commissioner of Agricultural Income-Tax, Coorg, against the assessment order issued by the Agricultural Income-Tax Officer, Coorg, for the assessment year 1954-55.

The Deputy Commissioner of Agricultural Income-Tax (Sri N.R. Gopalakrishna) has forwarded the appeal to the Finance Secretariat with the following remarks :-

" I find that the division between the assessees is under a written instrument, for which I am an attestor. The matter for determination in this appeal, therefore, has come to my knowledge when I was an advocate and I cannot hear and decide this appeal. This appeal is, therefore, transmitted to the Finance Secretary, for submission before the Commissioner for orders as regards transfer of this appeal for disposal according to law."

In the circumstances stated by the present Deputy Commr. of Agricultural Income-Tax, the appeal cannot be heard by him. It will be necessary to appoint some other Judicial Officer as Deput Commr. of Agricultural Income-Tax for hearing this appeal. Section 16(1) of the Agricultural Income-tax Act, 1951, provides for the appointment of one or more Deputy Commissioners for the purposes of the said Act and under Section 16(2) of the said Act the State Govt. can appoint such officers.

The point for consideration is whether Sri Jaya Rao, who has been appointed as an Additional District and Sessions Judge, for a period of three months, may be appointed as Deputy Commissioner of Agricultural Income-Tax under Section 16(2) of the Agricultural Income-Tax Act, 1951, for the purpose of hearing the appeal under reference.

(In this connection please see precedent at page 11 of file R.Dis.284/53.)

Shri Jaya Rao may be appointed as Dy. Commr. of Agl. Inc. Tax.

Please see ~~xxdxxx~~ paras 6 and 7 of these notes.
Draft notification submitted.

MR
1/4/55

Submitted. Reminder put up to Sri. Jaya Rao, to acknowledge the receipt of records relating to A.I.T. appeal No. 5 of 1955 sent with this office notification of 11-4-55.

III. Families benefitted by development work:

A. By type of development work:	Number of families benefitted at end of current quarter.
1. Improved agricultural practices.	6262.
2. Irrigation works.	Every family of this Block has been benefitted in one way or the other.
3. Reclamation work.	
4. Cottage Industries Programme.	
5. Miscellaneous.	

-:oOo:-

QUARTERLY PROGRESS REPORT FOR THE QUARTER ENDING WITH 30TH JUNE, 1956, IN RESPECT OF THE COMMUNITY DEVELOPMENT BLOCK OF 1952-53 SERIES.

The Community Development Block No.I with its headquarters at Somwarpet, 26 miles away from Mercara, the capital of the State, comprising of 134 villages has made satisfactory progress in all aspects during the quarter under report. The thirteen Gram Sevaks of this Block have visited all the villages in this Block at the rate of eight to twelve visits during the quarter under report.

AGRICULTURE:

During the quarter under report, 5591 farmers were contacted individually and 3112 individual holdings were visited by the Project staff covering an area of 2280 acres. 158 meetings of Village Project Committee, Panchayats, farmers' clubs and Village Planning etc., were attended to by the Project staff and the cultivators were given detailed instructions on various development works mainly on the Japanese method of rice cultivation and using of improved implements. 78 compost pits were dug and a good deal of manure was prepared by the farmers. 3394 Mds. of various fertilizers, 544½ Mds. of improved variety of seed paddy and and 151 improved agricultural implements were distributed among the ryots during the current quarter. The area brought under fruits and vegetables during the quarter under report is 15-10 and 188-75 acres respectively. 909 acres of orange, cardamum and coffee were sprayed against various pests and diseases like hairy cater-pillar, thirps and leafrot etc. 252 Mds. of seed paddy were treated against seed borne diseases before sowing, and 289½ lbs. of chemicals worth of Rs.705-1-0 were supplied to the farmers. 250 demonstrations on various items, such as compost making, use of iron plough, seed paddy treatment, seed bed preparation construction of latrines etc., were held by the Project staff. During the current quarter 141 acres of land

were reclaimed for cultivation of various crops. 117 registered seed growers were selected in this Block for the purpose of multiplication of promising good strains of rice, selected at the rice breeding station at Ponnampet in Converted N.E.3.Block. Each registered seed grower was supplied with 5½ lbs. of B.A.M.3 and Andrewsail strains suited to the locality free of cost to transplant in half an acre. The registered seed growers were selected on condition ~~xx~~ that they would put in all their efforts and carry out the instructions issued by the Project staff from time to time in regard to raising nurseries, manuring, planting, interculturing, preventing and controlling pests and diseases and attended to any other agricultural operations suggested by the Project staff.

Intensive propaganda was carried out to popularise the intensive cultivation campaign to achieve the target given for the first Community Development Block. Selection of seed by immersing in salt water and prophylactic seed treatment with seed disinfectants, their sowing, using less seedlings and intensive manuring have become very popular in this Block and the farmers have now realised the benefits of the above selection and treatment. The majority of the ryots of this Block have applied green leaves to their wetlands during the current quarter. 130 plots to conduct experiments for testing manures in cultivators fields were selected in this Block under the T.C.L. Scheme.

ANIMAL HUSBANDRY:-

During the quarter under report 223 cows were artificially inseminated and 710 cattle were inoculated and vaccinated. 4054 head of cattle were treated for various diseases Sufficient fodder have been provided for the proper feeding of cattle in this Block. An area of 60 acres was allotted for the Hajoor Model Unit and the villagers of Hajoor have raised improved varties of grasses for the proper feeding of cattle. About 10,000 pullas of straw have been supplied by the Government to the ryots of Thoremoor and Hebbale for

for feeding of cattle. Free grazing in Reserve Forests was also permitted as an emergency measure. The Dairy Farm started at Koodige for the Dairy Development in Coorg and establishment of a pasteurisation plant and collection of milk from the surrounding villages is has functioned well. The Artificial Insemination Centre started at Somwarpet has made a satisfactory progress. 95 individuals were encouraged to start dairy farming.

Poultry: 46 pedigree birds and 414 pedigree eggs were distributed to the deserving villagers. 59 desicocks were caponised and 1070 birds were treated and protected against various diseases. The Government Poultry Farm at Somwarpet has been shifted to Koodige for developing the poultry industry in the State, during the quarter under report, since that locality was considered to be the best one in Coorg. 28 individuals were encouraged to start poultry farming.

Pisciculture: The fingerlings supplied to the various tanks and individuals in this Block during the previous quarters are coming up well. Proper care has been taken to feed them. Improved varieties of fingerlings are being received from Calcutta for supply to the ryots and certain tanks have been maintained by the Government to develop pisciculture industry in this Block.

PUBLIC HEALTH AND SANITATION:-

During the quarter under report, 13 soakage pits 31 rural latrines, 2 miles and 1 furlong drains were constructed. 41 wells were renovated and the work of new wells was under progress. Anti-malaria spra... has been done in all the villages of this Blo... Medical aid, of subsidiary nature, was ... rovided by the Project Health Staff. Various ... lies of the farmers by the ... land. ... ll cases of ... ...

Free supply of milk powder to children was continued during the quarter. 8 smokeless chulas were introduced.

EDUCATION AND SOCIAL EDUCATION:-

The N.C.C. and A.C.C. Social Service Camp was organized in the Converted N.E.S. Block during the quarter under report and all the N.C.C. and A.C.C. Cadets of this block were in that camp from 23rd April to 6th May and took up the work of deepening and widening of an important canal in that village. Then, the 2nd batch of 33 teachers of various basic schools and 387 A.C.C. Cadets continued the work started by the first batch from 8th May to 21st May in the same place. A refresher course for A.C.C.teachers was also organised from 8th to 21st May in the same place.

The World Health Day, the Five Year Plan Publicity Week on Education and Budha Jayanthi were observed in all the Educational Institutions of this Block during the quarter.

The results of the crop competition were announced and some of the student competitors of the High Schools and Middle Schools under Krishi Yuvakara Sanghas received prizes for their maximum yields as per crop competition rules.

During the quarter under report, 2 feeder schools were started. 559 adults were under training and 20 adults completed training successfully. 8 recreation centres were started. 107 Community Entertainments like Harikatha,Bhajan, filmshow, etc., were organised and 27 social guest lectures were arranged during the current quarter.

IRRIGATION:-

The works of 6 tanks, 3 anicuts, 9 culverts, 4 bridges were under progress.

COMMUNICATION:

One mile 2½ furlongs of kutcha road and 10¼ furlongs of pucca road were reconstructed and reconditioned.

Side drains have been provided to all roads in order to maintain the road surface during monsoon.

Bee-Keeping:-

The Apiary Centres at Madapur and Shanthally have functioned well. 952 Bee-hive boxes were supplied and 3902 lbs. of honey produced during the quarter under report.

PEOPLE's CONTRIBUTION:-

During the quarter, 4644 villagers have participated in various Community Project works and the value of labour in terms of money is Rs.7,460/-. Rs.15,310/- worth of cash and other contributions have been received from the people in this Block during the current quarter.

COMMUNITY AND OTHER ACTIVITIES:-

The First Five Year Plan Day was observed at the Block Headquarters on 3-4-1956 under the Presidentship of the Minister for Law and Order, Coorg. All Coorg Labour Rally was held at Somwarpet on 26-4-1956 under the auspices of the Labour Welfare Department, Coorg. S/hri.S.Nijalingappa, B.A.,B.L., Member of Parliament presided.

The Crop Competition Prize Distribution was held at Somwarpet. The Chief Commissioner of Coorg and the Chief Minister of Coorg were present.

Intensive cultivation demonstration was held by the Agricultural Department for the use of the neighbouring agriculturists at Koodige during the quarter.

Co-operative Training was given to the Village Level Workers of this Block for a period of three weeks during the quarter under report, at Mercara.

DEVELOPMENT COMMISSIONER,
COORG.

COMMUNITY DEVELOPMENT BLOCK NO.II - QUARTERLY PROGRESS REPORT FOR THE QUARTER ENDING 30-6-1956.

The Community Development Block No.II has a total area of 560 square miles, comprising of 69 villages with a total population of 57719. Its headquarters is at Mercara.

During the quarter under report, the Gram Sevaks have visited all the villages at the rate of 6 to 10 times per village. 5254 individual ryots were contacted and 4954 holdings visited. 76 meetings were attended to by the Project Staff and discussions held on various subjects connected with the development work in the villages. Two Gram Sevaks of this Block who were undergoing training at Mandya returned to their respective circles and reported for duty. Two more Gram Sevaks were deputed for training at Mandya during the quarter.

Special features of this Block during the quarter:

During the quarter under report, the All Coorg Agricultural and Large Scale Industrial Exhibition was held at Mercara from the 24th April to 21st May,1956. Sri. M. D. Patil, Minister for Co-operation, Bombay opened the exhibition on the 24th April, 1956. More than 100 stalls were put up and various goods exhibits under Agriculture, Cottage Industries, Education, Health and Sanitation, Animal Husbandry, etc., were exhibited by the concerned Government Departments and private firms. Important practical demonstrations on various subjects were also held by the concerned stalls. About 3000 people mostly from the rural areas visited the stalls and appreciated the exhibits and practical demonstrations that were held there. The Stall put up by the Community Projects secured a gold medal certificate.

P.T.O.

Agriculture:- During the quarter under report, 328 new compost pits were dug. A quantity of 1559800 C.ft (31196 tons) of compost manure was got prepared in the new as well as old pits and this quantity of compost would suffice to cover an area of 10400 acres of rice fields. As a result of the application of this quantity of compost manure, an additional yield of 1040 tons of rice is anticipated. 3400 Mds. of fertilizers and manures were also distributed to ryots to enable them to give balanced manuring to their rice crop. 538 Mds. of improved and treated seed paddy were distributed among the cultivators. 1500 Mds. of seed paddy belonging to ryots were treated with disinfectants as a prophylactic measure against seed borne diseases. Selection of seed was done by salt water treatment. The reduction in seed rate from about 60 lbs. to 10 lbs. per acre has caught the mind of the people. Intensive propaganda was carried out in every village to popularise intensive cultivation campaign in order to achieve the target of 8000 acres for this block as assigned by the Govt. 538 Mds. of improved seed paddy supplied to the ryots during the quarter were sufficient to transplant about ⅗ 4300 acres with an anticipated additional yield of 160 tons of rice. The seed and grass multiplication schemes formulated last year continued to function satisfactorily during the quarter. Improved seeds were distributed to the Registered seed growers at village centres free of cost from the Rice Breeding Station at Ponnampet to increase the number of registered seed growers for further multiplication and bringing the entire rice area of this block under these improved strains. The Registered grass farms of last year were given proper interculturing operations and it was roposed to open some more registered grass farms in this season in order to supply grass slips to every ryot in every village of this block within two or three years so that each ryot could have his own grass farm established, in his holding to feed his cattle properly.

The Gram Sevaks visited all the registered seed farms and gave necessary instructions to the growers regarding various operations necessary for getting the best results. 398 practical demonstrations for popularising the use of improved implements, compost making, seed treatment, control of pests and diseases, green-leaf application to paddy fields, etc., were held in all the villages of this block during the quarter. 301 acres of food, fruit and commercial crops were treated against pests and diseases. Plots were laid out to conduct fertilizer demonstrations in the holdings of the ryots under T.C.M. Programme.

Animal Husbandry:-

During the quarter under report, 3 cows were artifi-fially inseminated, 183 scrub bulls were castrated. 95 head of cattle were inoculated and vaccinated and 2431 head of cattle were treated for the various diseases. 49 individual familities were induced to start dairy farming. As a result of intensive propaganda carried out for the development of fodder supply which was very important for the improvements of cattle, several ryots have established perinnial grasses like napier, guniea, para etc., in their holdings.

Poultry:- 40 pedigree birds and 286 eggs of Plymoth Rock, Rhode Island red etc., were supplied to the farmers at 50% concession rates during the quarter. 17 desi-cocks were caponised and 201 birds were treated or protected. 147 individuals were encouraged to start poultry farming.

Fisheries:- 240improved varieties of fingerlings were supplied to the farmers to develop inland pisciculture industry during the quarter.

Bee-keeping: During the quarter 201 Bee hive boxes were distributed to farmers and a quantity of 7,695 lbs. of honey was produced in this block.

Irrigation: During the quarter under report, 9 new tanks were constructed and 8 old tanks, 6 miles of cart-is were repaired as a result of which 142 acres of land wer

brought under irrigation.

Health and Sanitation:- During the quarter under report, 8 soakage pits, 14 latsrines, 580 yards of drains were constructed and 6 wells were chlorinated. Regular anti-malaria spraying was done in all the villages of this block. 60 cases of antenatal care of expectant mothers were attended to by the Health staff. 8658 people were provided hospital facilities. 3454 persons were inoculated and vaccinated to check the spread of various contagious diseases. The Health staff extended advice to individual families. Four smokeless chulas were constructed.

SOCIAL EDUCATION AND EDUCATION:

During the quarter under report, the Cadets and Officers of the Junior Division of N.C.C. and A.C.C. in the schools took part in the ceremonial parades during important celebrations and helped to maintain discipline on those occasions. The public were induced to invest money in National Plan and small savings certificates to help themselves in particular and the country in general. Prizes were awarded to student competitors of the High Schools and Middle Schools of this block under Crop competition during the quarter.

During the quarter, 3 literacy classes were opened. 450 adults were under training. 8 film shows were arranged and 8600 people attended these shows. 62 propaganda meetings, 128 discussions, 38 demonstrations and 110 Community Entertainments were organised.

Arts, Crafts and Industries:- Bee-keeping on modern lines is a popular industry and bee-hives are distributed to people at subsidised rates.

With regard to poultry farming, the Government has advanced loans to Co-operative Societies for encouraging members to develop backyard poultry. The Government Poultry Farm at Somwarpet and the Kajoor Model Unit have supplied pedigree birds and eggs to farmers for the development of this industry. The Vocational Training School

139

at Mercara imparted training in small scale industries, such as carpentry, blacksmithy, basket making, tailoring, rattan work, etc., during the quarter.

People's contribution:

During the quarter, 11,734 farmers participated in various Community works and the value of labour in terms of money is Rs.~~1,760~~ 17601/-. Rs.6,526/- worth of other contributions were also received from people in this block during the quarter.

Community Activities:-

The attitude of the villagers, village leaders and village organisations to the Block Programme was very cordial and helpful. During the quarter no difficulties were encountered in the execution of the programmes. The farmers were advised to reduce expenditure and invest the savings in their Co-operative Credit Societies or on the purchase of the National Plan Certificates or Life Insurance Polices

DEVELOPMENT COMMISSIONER.

Planning Commission,
NEW DELHI.

SUB:- QUARTERLY PROGRESS REPORT ON THE CONVERTED N.E.S BLOCK OF 1955-56 SERIES - FURNISHING OF -

-:oOo:-

Sir,

I am enclosing herewith the Quarterly Progress Report in respect of the Converted N.E.S. Block of 1955-56 series, for the quarter ending 30th June, 1956, for favour of information.

Yours faithfully,

(M. N. Gundu Rao),
Development Commissioner.

1) Copy together with three copies of the progress report to the Chief Secretary to the Government of Coorg. One copy of the progress report is for transmission to the Government of India, Ministry of Home Affairs.

2) Copy to the Extension Service Officer, Ponnampet, for information and guidance.

III Families benefited by Development work:

		No.of families benefited at end of current quarter.
A.	**By type of development work:**	
1.	Improved agricultural practices.	10,000
2.	Irrigation works.	3820.
3.	Reclamation work.	1780.
4.	Cottage Industries programme.	1150.
5.	Miscellaneous. (Social Education and Education)	9740.

		No.*	% of families in the Project/Block.
B.	Total number of families benefited by development activities at end of current quarter.	19,951.	92.8%
C.	Total number of families covered by Co-operative Societies at end of current quarter.	12300	47.9%

* Regarding B and C, no family has been counted more than once.

Quarterly Progress report for the quarter ending 30-6-1956, in respect of the Converted N.E.S.Block (1955-56) series.

.....

AGRICULTURE:

General: - The 15 Gram Sevaks of this Block toured all the 97 villages in the Block at the rate of 8 to 10 visits per village and contacted 7,760 farmers. They visited 3,377 farm houses during the quarter and carried out intensive propaganda for the success of the various developmental schemes. They attended 140 meetings and held discussions on Agricultural, Animal Husbandry Extension, etc., matters with the ryots. Very good work has been done in the matter of improved seed distribution. As a result of the seed multiplication scheme introduced last year good quantity of improved seeds of B.A.M.3 and Andrew-sal varieties was available in almost all the villages or in the neighbouring villages. 2,428 (Ry) Maunds of seeds, almost equal to the quantity distributed so far were distributed which would cover at least 10,000.00 acres. Taking into account the natural spread and the quantity distributed during the last quarter and that may be distributed in the month of July, it is expected that the area under improved varieties of rice will be about 15,000.00 acres out of a total of 53.000.00 acres under rice in this Block. In other words nearly one-third the total area will be under improved varieties. During the current year the Agricultural Department may be able to release two strains of local rice and with this, it is hoped to cover about 90% of the area with improved varieties before the end of the Second Five-Year Plan period. The short term credit facilities to cultivators have been increased this year and with this the sale of concentrated manures too has improved appreciably. It is hoped that the progress in this field of activity too will be equally good during this crop season in this block. Nearly 11,000 (Ry) Mds.of fertilizers were distributed

P.T.O.

153

during the quarter and 300 Mds. distributed during the previous quarter and all this will be used for this season's crop only. 5,83,061 Mds. of compost manure was got prepared and nearly 200 lbs. of green manure seeds to produce sufficient green manure for 2,000.00 acres have been distributed. Green leaf application for the rice crop is being adopted all over. All the necessary control measures are being applied for the control of pests and diseases. With this progress we should be able to harvest much better crop this year at least 15% higher than that of last years provided the rains do not fail. Larger targets under Japanese method of rice cultivation have been given to the Gram Sevaks. Even where the Japanese method is not adopted in toto every one has sown considerably less seed now as a result of our two years of propaganda and practical demonstrations. At least 25% less seed has been used in this block this year. Whereas the old practice was to use 50 lbs. and more of seed per acre. No individual has sown more than 40 lbs. this year and quite a good number have used less than 20 lbs. per acre and a few have adopted only 10 lbs. and less seed rate. 294 practical demonstrations were held during the quarter.

Animal Husbandry:

The number of registered grass growers, for the supply of grass slips to others, is being increased, on the line of rice seed multiplication scheme and the scheme is becoming equally popular. From next year onwards there will be ample supply of planting material in all the villages of this Block. Two artificial insemination centres were opened 591 scrub bulls were castrated and 112 cows were artificially inseminated for the improvement of the breed of cattle. 11,588 animals were treated during the quarter. As regards development of Poultry, 49 cockrels were caponised, 398 improved birds were distributed and 2,332 birds were treated during the period under report.

Fisheries:-

Pisciculture is becoming popular steadily. The Government have stocked so far fingerlings in 81 tanks for distribution and breeding and 350 fingerlings have been distributed during the quarter.

Bee-keeping:

Two hundred and seventy two improved bee-hive boxes were distributed during the quarter and 3,441 lbs. of box honey was collected. As this was not the proper season for hiving, the number of hives distributed is small.

Health and Sanitation: -

Spraying with DDT for the control of malaria has been carried out in all the dwelling houses and 123 persons were vaccinated during the quarter. Seven soakage pits, 17 rural latrines and 26 drinking water wells were constructed. 37 houses were repaired and improved. 2,274 persons were given hospital facilities and 82 mid-wifery cases were attended to by the Maternity Assistants and Public Health Nurses. Fifty new houses were constructed and 39 old houses were improved to provide better living condition to the people.

Education and Social Education:-

All the Primary, Secondary and High Schools in this Block have been converted into Basic Schools and 6 new Feeder Schools and two adult training centres have been started. Forty adults have completed their training during the quarter and 684 are under training at the end of the quarter. Eight student farmers' clubs (Yuvaka Krishikara Sanghas) have been started and 44 social guest lectures delivered during the quarter.

Communication:

One mile and 4 furlongs of pucca road and 14½ miles of katcha road were built. Fourteen bridges and culverts, three causeways and six foot bridges were completed during the quarter.

 155

Irrigation:-

Three tanks were repaired and 7 miles and two furlongs of channels were dug. 15 anicuts works were completed during the quarter thus providing supplementary irrigation for about 1,558.00 acres of wetlands.

Reclamation:

97.55 acres of new lands were reclaimed during the quarter for the cultivation of fruit and feed crops.

People's contribution:

People's participation has been satisfactory. About five miles of a drainage channel was cleared thoroughly by the A.C.C. and N.C.C. boys and villagers jointly. About 500 boys in two sets worked for 14 days each set and 1,800 man days of labour were contributed by the villagers to complete this work. This work benefits a stretch of about 200.00 acres of wetlands. The total contribution made by the people in the shape of cash, buildings and labour was Rs.29,478-12-0 during the quarter

DEVELOPMENT COMMISSIONER.

166

Consolidated Quarterly Progress Report in respect of the Community Development Block No.I, Community Development Block No.II and the Converted N.E.S.Block, for the quarter ending 30-6-1956.

.....

The Community Development Block I (1952-53 series) with its headquarters at Somwarpet, 26 miles away from Mercara, the capital of the State, comprising of 134 villages with a population of 8,000 has made satisfactory progress in all aspects during the quarter under report.

The Community Development Block II (1953-54 series) with its headquarters at Mercara, the capital of the St comprising of 69 villages with a total population of 57,719 has made satisfactory progress in all aspects dur the quarter under report.

The Converted National Extension Service Block, wit its headquarters at Ponnampet, 32 miles away from the capital of the State, comprising of 97 villages with a total population of 96,686 has made satisfactory progres in all aspects during the quarter under report.

During the quarter under report 134 villages in Development Block I, 69 villages in Development Block II and 97 villages in the Converted N.E.S. Block were visit by the Gram Sevaks at the rate of 8 to 12 visits per village in Development Block I, 6 to 10 visits per villa in Dev.Block II and 8 to 10 visits per village in the Converted N.E.S. Block. 5591 farmers in Block I, 5254 farmers in Block II and 7760 farmers in the Converted N.E.S. Block were individually contacted. 3112 farmers holdings in Block I, 4954 holdings in Block II and 3377 holdings in the Converted N.E.S. Block were visited by the Gram Sevaks during the quarter and carried out intensive propaganda for the success of the various developmental schemes. The Gram Sevaks attended 374 meetings at the rate of 158 in Development Block I, 76 meetings in Development Block II [illegible] meetings in the

Special features during the quarter under report:

During ~~Under~~ the quarter under report, the Government Poultry Farm at Somwarpet in Block I was shifted to Govt. Farm Kudige in the same block for developing the poultry industry in the State since the Kudige area was considered to be the best one for this purpose.

During the quarter under report, the All Coorg Agricultural and large Scale Industrial Exhibition was held at Mercara in Development Block II from the 24th April to 21st May, 1956. Shri. M. P. Patil, Minister for Co-operation, Bombay opened the exhibition on the 24th April. More than 100 stalls were put up and various good exhibits under Agriculture, Cottage Industries, Education, Health and Sanitation, Animal Husbandry, etc., were exhibited by the concerned Government Departments and private firms. Important practical demonstrations on various subjects were also held by the concerned stalls. About thirty thousand people mostly from the rural areas visited the stalls and appreciated the exhibits and practical demonstrations that were held there. The stall put up by the Community Projects secured a gold medal certificate.

During the quarter under report, the final examinations of all the Junior and Senior Basic Schools, High Schools of all the three blocks, the Government College, Mercara in Block II, the Basic Training College and Janatha College at Govt. Farm Kudige in Block I were held and the results were announced. Under Krishi Yuvak Sangha, some of the students of Senior Basic Schools and High Schools who participated in crop competition were awarded individual prizes for the maximum yields recorded by them in their crop competition plots. In addition, individual schools which enrolled the maximum number of competitors were also awarded prizes in order to encourage them and creat

(Contd...3)

healthy competitions between the schools.

AGRICULTURE:-

Very good work has been done in the matter of improved seed distribution in all the three blocks. As a result of the seed multiplication scheme introduced last year about 2 lakhs lbs. of improved seeds of B.A.M.3 and Andrewsail varieties were made available to the ryots in almost all the villages in the three Development Blocks. It was estimated that the area sown under improved seeds would be sufficient to transplant about 20000 acres, in the three Development blocks out of a total area of 97000 acres as a result of which it would be possible to bring the whole area of rice under these improved varieties before the end of the Second Five Year Plan Period. 17794 Mds. of manures and fertilizers were distributed to ryots at the rate of 3394 Mds. in Block I, 3400 Mds. in Block II and 11000 Mds. in the Converted N.E.S. Block. 527 new compost pits were opened and a quantity of 57196 tons of compost manure ~~manure~~ was prepared in the old as well as new pits, during the quarter in the three Development Blocks. 942 practical demonstrations on various items like compost preparation, seed treatment, nursery treatment. Japanese method of rice cultivation, plant protection work etc., were held in all the three blocks at the rate of 250 in Block I, 398 in Block II and 294 in the Converted N.E.S. Block. 352 improved implements at the rate of 157 in Block I, 73 in Block II and 122 in the Converted N.E.S. Block were distributed to cultivators. 58.85 acres were brought under fruit cultivation at the rate of 15.10 acres in Block I, 9.75 acres in Block II and 34 acres in the Converted N.E.S. Block. The area brought under vegetable cultivation was 367.55 acres at the rate of 188.75 acres in Block I, 107 acres in Block II and 71.80 acres in the Converted N.E.S. Block. Area treated against pests and diseases was 1931.50 acres at the rate of 909 acres in

(Contd...4)

Block I, 301 acres in Block II and 722.50 acres in the Converted N.E.S. Block.

During the quarter under report 283.10 acres of new lands were reclaimed for the cultivation of food crops at the rate of 141 acres in Block I, 44.55 acres in Block II and 97.55 acres in the Converted N.E.S. Block. The Registered Grass Farms of last year were given proper interculturing operations and it was proposed to open some more registered grass farms in this season in order to supply grass slips to every ryot in every village of the three Development Blocks within two or three years so that each ryot could have his own grass farm established in his holding to feed his cattle properly. The Gram Sevaks visited all the registered grass farms during the quarter and gave necessary instruction to the growers regarding various operations necessary for getting the best results. Plots to conduct fertilizer demonstrations in the holdings of the ryots under T.C.M. Programme were laid out at village centres in all the three Development Blocks during the quarter.

ANIMAL HUSBANDRY:-

During the quarter, the number of cows artificially got inseminated in Block I, Block II and Converted N.E.S. Block was 223, 3 and 112 respectively. 261 scrub bulls in Block I, 183 in Block II and 591 in the Converted N.E.S. Block were castrated. 2322 heads of cattle were inoculated and vaccinated at the rate of 710 in Block I, 95 in Block II and 1517 in the Converted N.E.S. Block. 4054 head of cattle in Block I, 2431 in Block II and 10071 in the Converted N.E.S. Block were treated for various diseases. 179 individual families at the rate of 95 in Block I, 49 in Block II and 35 in the Converted N.E.S. Block were induced to start dairy farming during the quarter.

Poultry:

484 pedigree birds were supplied to farmers at the rate of 46 in Block I, 40 in Block II and 398 in the Converted N.E.S. Block. In addition 889 fertilized eggs were

supplied at the rate of 414, 286 and 189 in Block I, Block II and Converted N.E.S. Block respectively. 3603 birds were protected or treated at the rate of 1070 in Block I, 201 in Block II and 2332 in the Converted N.E.S. Block. 125 desi-cocks were caponised. 261 individual farmers were encouraged to start poultry farming at the rate of 28 in Block I, 147 in Block II and 86 in the Converted N.E.S. Block.

Fisheries:-

During the quarter, 590 improved varieties of fingerlings were supplied to farmers to develop inland pisciculture industry in the State at the rate of 240 and 350 in Block II and Converted N.E.S.Block respectively.

1517 bee-hive boxes were distributed among bee-keepers at the rate of 952 in Block I, 303 in Block II and 262 in the Converted N.E.S. Block and a total quantity of 15048 lbs. of honey was produced in all the three blocks.

HEALTH AND SANITATION:

During the quarter under report, 28 soakage pits were constructed at the rate of 13 in Block I, 8 in Block II and 7 in the Converted N.E.S. Block. 3766 yards of drains in Block I, 580 Yds. in Block II and 109 yards in the Converted N.E.S. Block were constructed. 62 rural latrines at the rate of 31, 14 and 17 in Block I, Block II and Converted N.E.S. Block were constructed. 22 wells in Block I, 26 wells in the Converted N.E.S. Block were constructed and 101 wells were renovated at the rate of 41 in Block I, 23 in Block II and 37 in the Converted N.E.S. Block. D.D.T. spraying was done against malaria in all the villages of the three blocks. Mid-wifery services were rendered to 279 cases of expectant mothers at the rate of 137 in Block I, 60 in Block II and 82 in the Converted N.E.S. Block. 8 smokeless chulas in Block I and 4 in Block II were provided during the quarter under report.

EDUCATION AND SOCIAL EDUCATION:-

During the quarter under report, the N.C.C. and A.C.C. Social Service Camp with 405 N.C.C. and A.C.C. Cadets drawn from High Schools was organised from 23rd April to 6th May in Konageri village in N.S.S. Block. They took up the work of deepening and widening of a channel in that village. From 8th May to 21st May, 1956, 33 teachers and 387 Cadets drawn from the A.C.C. Units of various Senior Basic Schools continued the work started by the previous batch in the same place.

The World Health Day, The Five Year Plan Publicity Week on Education, Buddha Jayanthi were observed in the Educational Institutions during the quarter under report.

The results of the crop competition for which the Krishi Yuvak Sanghas of all the High Schools and a majority of the Senior Basic Schools of the three Development Blocks entered were announced and the individuals who harvested the maximum yields received prizes at school level from the Ministers, Chief Commissioner and the Speaker of the Legislative Assembly in the functions arranged under the auspices of the Coorg Agricultural Department in all the Rural Headquarters of the three Development Blocks.

The results of the Common Entrance examination were announced on the 23rd May. The percentage of passes in this State this year stood at 33 as against 43 in the previous year. The results of the S.S.L.C. Public Examination were also published during the quarter. Among the Government High Schools, Somwarpet High School in Block I secured the first place in the State and Kergina High School in Block II secured the second place.

SOCIAL EDUCATION:

Adult Literacy:- Five adult literacy classes were opened

(Contd....7)

172 172

and 116 adult illiterates were enrolled during the quarter under report.

Film shows:- Eight film shows were arranged during the quarter under report.

Rural Entertainment: Entertainments specially suited to rural areas, such as recitation of folk songs, folk dances, harikathas, etc., were organised in 120 different places of three Development Blocks. Three recreation centres were started during the quarter.

Propaganda meetings:- 122 talks on interesting and useful topics were given in rural areas. The lectures were attended and appreciated by the rural people.

Irrigation:

During the quarter under report, the works of 6 tanks, 3 anicuts, 9 culverts and 4 bridges were under progress in Development Block I. In Development Block II, 9 new tanks were constructed and 8 old tanks and 6 miles of channels were repaired as a result of which 142 acres of wetlands were brought under irrigation. In the Converted N.E.S. Block, 3 tanks were repaired and 7 miles and 2 furlongs of channels were dug. The work of 15 anicuts was completed during the quarter thus providing supplementary irrigation for about 1558 acres of wetlands.

COMMUNICATION:-

In Development Block I, 10½ furlongs of katcha roads and 10¼ furlongs of pucca roads were constructed during the quarter. In Development Block II, 7 miles and 2 furlongs of katcha roads and 6 miles and 2 furlongs of pucca roads were constructed. 5 miles of existing katcha roads were improved. In the Converted N.E.S. Block, 14 miles and 4 furlongs of katcha roads and 1 mile and 4 furlongs of pucca roads were constructed during the quarter under report. In addition 23 culverts, causeways and foot bridges were also constructed in the Converted N.E.S. Block during the quarter.

173

..TS, CRAFTS AND INDUSTRIES:-

The two Weaving Schools in Development Block No.I have functioned satisfactorily during the quarter. The Production-Cum-Relief Centre and the two Primary Societies also functioned well in Block I during the quarter. The Bee-Keepers' Co-operative Society has functioned well and the honey produced during the quarter was sold through the Weavers' Sales Emporium. The Government Poultry Farm at Somwarpet and the Kajoor Model Unit have supplied pedigree birds and eggs to farmers of all the three Development Blocks for the development of this industry. The vocational training School at Mercara in Block II imparted training in small scale industries, such as, carpentry, blacksmithy, basket making, tailoring, rattan work, etc., during the quarter. The Potteries' Centre at the Converted ... Block has functioned satisfactorily during the quarter under report.

People's Contribution:-

During the quarter 4644 villagers in Development Block I, 11734 villagers in Development Block II and 2776 villagers in the Converted N.E.S. Block participated in various Community works and the value of labour in terms of money is Rs.6,966/-, Rs.17601/- and Rs.4164/- respectively Cash and other contributions worth Rs.15,310/-, Rs.6,526/- and Rs.25,292/4/- were received from the people of Block I, Block II and Converted N.E.S. Block respectively during the quarter.

Community activities:- The first Five Year Plan Day was observed at the Block headquarters and Village centres of all the three blocks during the quarter. All Coorg Labour Rally was held at Somwarpet on 26-4-1956 under the auspices of the Labour Welfare Department, Coorg. Shri. S. Nijalingappa, B.A., B.L., Member of Parliament presided. The attitude of the villagers, village leaders and village organisations to the developmental programmes in all the three blocks was very cordial and helpful. The farme-

were adviced to reduce expenditure and invest the savings in their Co-operative Credit Societies or on the purchase of Cha tional Plan Certificates or Life Insurance Policies. Film shows were arranged by the Coorg Eductional Department to educate the villagers of all the three blocks and these were attended by the villagers in large numbers.

QUARTERLY PROGRESS REPORT IN RESPECT OF COMMUNITY DEVELOPMENT BLOCK II FOR THE QUARTER ENDING 31st MARCH, 1956.

—— oOo ——

GENERAL.

The Community Project Block II has a total area of 560 square mile It comprises of 69 villages with a total population of 57,719. The two Gram Sevaks who were undergoing training at Mandya have completed their training and two more Gram Sevaks from this Block have been deputed for training at Mandya during the quarter.

The Gram Sevaks visits all the villages of this block at the rate of 7 to 10 times per village. The Gram Sevaks visited 3903 individual holdings and contacted 7584 individual ryots. 67 practical demonstrati on were held and 85 meetings were attended by the Gram Sevaks and necessary advices were given to cultivators on various subjects connected with the development works in the village.

AGRICULTURE.

72 new compost pits were dug and a quantity of 13,98,366 cft. of compost manure was got prepared in the new as well as old compost pits. During the quarter 1 ton, 1cwt and 71 lbs. of Ammonium Sulphate, 1 ton, 2 cwt. and 91 lbs of B.A.M 3 seed paddy and 8 cwts and 4 lbs, of Andrawsail seedpaddy were distributed among the cultivators. 3 acres were brought under fruit cultivation and 155.50 acres were brought under vegetable cultivation. 220.50 acres of food, fruit and commercial crops were treated against pests, and diseases. 67 practical demonstrations for popularising the use of improved implements, compost making, seed treatment, control of pests and diseases etc., were held in the villages. The results of various experiments conducted in the holdings of ryots were recorded by the Gram Sevaks. The Gram Sevaks visited all the registered grain farms frequently and gave instructions to ryots regarding various operations necessary for getting the best results. 32.1 acres of new lands were reclaimed during the quarter.

ANIMAL HUSBANDRY.

During the quarter under report 33 cows were artificially inseminated and 126 scrub bulls were castracted. 9045 head of Cattle were inoculated and vaccinated and 5138 head of cattle were treated for various diseases. 86 individual families were induced to start dairy farming. As a result of intensive propaganda carried out for the development of fodder supply which is very important for the improgements of cattle. Several ryots have planted

position of lands with perinnial grasses like rapier, guniea, para etc, Grass Slips required for planting in the village would be available in almost all the villages.

POULTRY.

88 pedigree birds and 971 prdigree eggs of plymoth rock, rhode Island red etc., were supplied to farmers at 50 percent concession rates during the quarter. 25 desicocks were caponised and 580 birds were treated or protected. 203 individuals were encouraged to start poultry farming.

FISHERIES.

478 improved varieties of fingerlings were supplied to the farmers to develop inland pisciculture industry during the quarter.

BEE KEEPING.

During the quarter 392 been hive boxes were distributed to farmers and a quantity of 655 lbs of honey was produced in this block.

HEALTH & SANITATION.

During the quarter under report 13 soakage pits, 13 rural latrines, 1,400 yards of drains and 18 wells were constructed. 78 wells were repaired and 65 wells were chlorinated. Regular antimalaria spraying was done in all the villages of this block. 186 cases of antenatal care of expectant mothers were attended to by the health staff. 2,200 persons were inoculated and vaccinated to check the spread of various contagious diseases. All possible advices were extended to individual families by the health staff. 8 smokeless chullas were constructed.

EDUCATION AND SOCIAL EDUCATION.

During the quarter under report the cadets and officers of the junior division of the N.C.C. AND A.C.C. in the schools took part in the ceremonial parades on the Republic Day celebration and helped to maintain descipline on this occasion. Sarvodaya Day was observed on the 30th January in all the educational institutions in the state. The pupils and the staff observed silence for two minutes to pay homage to martyrs who sacrificed their [illegible] the liberation of India. Small savings day was observed 1956 in all the Government High Schools in Coorg. T[illegible] out a procession in the main streets of the town public were induced to invest money in National p[illegible] savings certificates to help themselves in partic[illegible] general.

The annual events of the Inter High School sports and games took place in February and all the High Schools of this Block participated in this.

The results of the ~~Coorg~~ crop Competition for which the Krishi Yuvak Sanghs of all the High Schools and a majority of Senior Basic Schools entered were announced and the individuals received State Level Prizes from the Chief Minister of Coorg in a grand function arranged on this occasion, under the auspieces of the Coorg Agricultural Department.

During the quarter 3 literacy classes were opened. 399 adults were under training. 8 films shows were arranged and 3,500 people attended these shows. 64 propaganda meetings, 123 discussions, 40 demonstrations and 103 community entertainments were organised. Two Krishi Yuvak Sanghas were started and 12 social service camps were organised. 343 students and 45 A.C.C. cadets constructed one mile road at Parane.

COMMUNICATION.

During the quarter under report 3 furlongs of pucca roads and 9 miles 4 furlongs and 30 yards of katcha roads were constructed. In addition 9 miles of kutcha roads were repaired.

ARTS, CRAFTS AND INDUSTRIES.

Bee Keeping on modern Bee Hives is a popular industry and the village societies have been supplying bee hives to the members.

With regard to poultry farming the Government has advanced loans to co-operative societies for encouraging members to develop backyard poultry. The Government poultryfarm at Somwarpet and the Kajoor Model unit have supplied pedigree birds and eggs to farmers for the development of this industry.

PEOPLES CONTRIBUTION.

During the quarter 3089 farmers participated in various community works and the value of labour in terms of money is Rs. 4,544-8-0. Rs. 12,150/- worth of other contributions were also received from people in this block during the quarter.

COMMUNITY ACTIVITIES.

Sarvodaya Day and small savings day were observed in all the villages centres. The attitude of the villagers, village leaders and villages organisations to the Block Programme was very cordial and helpful. The co-operative marketing week was also observed in all the villages societies, and all the members of the societies participated in the function. During the

contd.....4/-

14

quarter no difficulties were encountered in the execution of the programmes. The farmers were adviced to reduce expenditure and invest the savings in their co-operative credit societies or on the purchase of the National Plan Certificates or on life Insurance.

COMMUNITY DEVELOPMENT BLOCK NO.I.(1952-53 series)
QUARTERLY PROGRESS REPORT FOR THE QUARTER
ENDING 31ST MARCH, 1956 -

.....

The Community Development Block No.I, with its headquarters at Somwarpet, 26 miles away from Mercara, the capital town of the State, comprising of 134 villages has made satisfactory progress in all aspects during the quarter under report. The 13 Gram Sevaks of this Block have visited all the villages in this Block at the rate of 6 to 10 times during the quarter under report.

AGRICULTURE:- During the quarter under report 6319 farmers were contacted individually and 2517 individual holdings were visited by the Project staff covering an area of 991 acres. 187 meetings were attended by the Project staff and the cultivators were given detailed instructions on the various development works in this Block. 65 compost pits were dug and a quantity of 3,18,575 c.ft, i.e., 6371½ tons of compost manure were prepared by the farmers. 631 Mds. of various fertilizers 281 Mds. of improved variety of seed paddy and 61 various agricultural implements were distributed to the cultivators during the current quarter. The area brought under fruits and vegetables during the quarter is 20-50 and 159-50 acres respectively. 276-70 acres of fruit, vegetable and cardamom crops were treated against pests like thirps, hairy catterpillar and other diseases. 68 Mds. 4 lbs. 14 ozs of chemicals worth Rs.504/- were supplied to the cultivators. 72 demonstrations on various items like compost making, use of iron plough, seed paddy treatment, soap making, summar ploughing, seed bed preparation, construction of latrines, etc., were held by the Project staff. During the current quarter an area of 71-65 acres of land were reclaimed for cultivation of various crops.

ANIMAL HUSBANDRY:- During the quarter under report 242 cows and 2 she-buffaloes were artificially inseminated. 4090 head of cattle were inoculated and vaccinated, 2899 head of cattle were treated for various diseases. Sufficient fodder

P.T.O.

has been provided for the proper feeding of cattle in this Block. The artificial insemination Centre at Somwarpet has functioned very well. Seven individual families were encouraged to start dairy farming.

POULTRY:- 252 pedigree birds and 687 peidgree eggs were distributed to the deserving villagers. 56 desicocks were caponised and 536 birds were treated and protected for various diseases. The Government Poultry Farm at Somwarpet has functioned well during quarter. 37 individual families were encouraged to start Poultry farming during the quarter.

FISHERIES: 320 improved varieties of fingerlings were supplied to the ryots to develop pisciculture industry in this Block during the current quarter.

PUBLIC HEALTH AND SANITATION:- During the quarter under report 30 soakage pits, 50 rural latrines, 24 wells, 1975 yards of drains were constructed. 30 wells were renovated. Anti-malaria spraying was done in all the villages of this Block. Antenatal care of expectant mothers were attended to by the Project Health Staff. Necessary advices were also given in this connection by the Public Health Nurse stationed at the Block headquarters at Somwarpet.

200 cases of antenatal care of expectant mothers and mid-wifery services rendered during the quarter.

Free supply of Milk powder to school going children was continued during this quarter also. 3 smokeless chulas were introduced.

EDUCATION AND SOCIAL EDUCATION: During the quarter under report 3 new feeder schools were started. 713 adults were under-training and 40 adults completed training. Two recreation centres were started and one Information and Community Centre was started at the Block headquarters under the instructions from the Government of India, Community Projects Administration. 70 Community Entertainments like Harikathas and Bhajans, film-shows, etc., were organised and 45 social guest lectures were arranged during the quarter under report.

N. C. C. and A.C.C.: Regular parades were conducted by the N.C.C. and the A.C.C. Units and took part in the Republic Day Celebrations. The District and Sessions Judge took Salute and inspected a Guard of Honour arranged by the N.C.C. Unit of the Government High School, Somwarpet.

Sarvodaya Day was observed in a befitting manner in all the Schools and the Project headquarters of this Block on the 30th January, 1956.

IRRIGATION:- The work of 6 tanks, 7 culverts and three bridges is under progress. About 20 new tank works have been undertaken by the Minor Irrigation Department during the quarter. Four furlongs of canal work and the work of one regulator was completed.

COMMUNICATION:- Four miles and 110 yards of pucca roads and 18 miles and 7 furlongs of katcha roads were constructed and reconditioned.

BEE-KEEPING:- The Apiary Centre at Madapur and Shanthally has functioned well. 654 bee-hive boxes were supplied and 1,307 lbs. of honey produced during the quarter under report.

PEOPLE'S CONTRIBUTION: During the quarter 7678 villagers participated in various Community Project works and the value of labour in terms of money is Rs.11,517/-. Rs.17,293½ worth of cash and other contributions were received from the people in this Block during the quarter.

COMMUNITY AND OTHER ACTIVITIES:- On the 26th January, 1956 the Republic Day was celebrated in all the centres of this Block in a befitting manner. There were sports and games in the Block headquarters and sweets were distributed to the children on that day.

Three Cattle Fair were conducted at Kodlipet, Somwarpet and Bembaloor and exhibitions of Agricultural products were arranged by the Project staff.

Film shows were arranged by the Coorg Education Department under Audio-visual aid campaign at Shanivarsanthe, Kodlipet Suntikoppa, Madapur, Chettally and other places. One Social

P.T.O.

34

Welfare Extension Centre was opened at Athur Nallur village.

Two Labour Rallies were conducted at Madapur and Sunticoppa. There was a good gathering at the Rallies. Best athletes of labour classes were awarded prizes. The championship won by the management of Yemmegundi Estate

The Loka Sahayak Sena training camp was held at Kudlur village near Kushalnagar for a period of one month. About 500 candidates were trained under the National Volunteer Force campaign and 482 candidates completed the training successfully.

Some of the villagers of Shiralacoppa, Mysore State, visited Sirangala about 40 miles away from Mercara, during the month of January. They visited the Woman Adult classes.

Harikathas and Bhajans in various villages of this Block were organised both by the Community Projects and the Labour Welfare Department, for the benefit of the Tribal and backward peoplem. One benefit show of drama was performed at Sunticoppa for the construction of hospital building and out of the collection a sum of Rs.750/- has been given to the said construction.

The Basic Training School started at Kudige has functioned well. The Government Poultry Farm at Somwarpet has been making rapid progress in supplying graded eggs of pedigree birds to the deserving cultivators at subsidised rates.

The Harijans and the scheduled tribes and scheduled caste people of this Block were supplied with tiles, ready made windows, doors and also timber, etc., for the construction of houses and seed paddy, iron ploughs, Japanese intercultivators, free of cost.

Consolidated Quarterly Progress Reports in respect of the Community Development Blocks Ist and IInd and Converted Community Development Block of 1955-56 series -

-:oOo:-

General:

During the quarter under report 134 villages in Development Block I, 69 villages in Development Block II and 97 villages in the Converted C.D. Block have been visited by the Gram Sevaks at the rate of 6 to 10 visits per village in Block I, 7 to 10 visits per village in Block II and 6 to 8 visits per village in the Converted N.E.S. Block. 6319 farmers in Block I, 7584 farmers in Block II and 10555 farmers in the Converted C.D. Block were individually contacted. 2517 farmers holdings in Block I, 3903 holdings in Block II and 4104 holdings in the Converted C.D. Block were visited by the Gram Sevaks during the quarter.

187 meetings in Block I, 85 meetings in Block II and 165 meetings in the Converted C.D. Block were attended by the Gram Sevaks and necessary advices were given to the cultivators on various subjects connected with the development work in the villages.

Agriculture: During the quarter, 65 new compost pits in Block I, 72 in Block II and 365 in the Converted C.D.Block were dug and a quantity of 318575 C.ft of compost manure in Block I, 1398366 C.ft in Block II and 403299.00 Mds in the Converted C.D. Block was prepared. 361 Mds. of manures and fertilizers in Block I, 1 ton, 1 CWT and 71 lbs in Block II and 440 Mds. in the Converted N.E.S Block were distributed among the cultivators. 281 Mds. of seed paddy in Block I, 1 tan, 10 Cwt and 95 lbs in Block IInd and 297.87 Mds. in Block III were distributed. 90 improved implements at the rate of 61 in Block I and 29 in the Converted C.D. Block were distributed to cultivators. 27.50 acres were brought under fruit cultivation at the rate of 20.5 acres in Block I, 3 acres in Block II and 4 acres in Block III. The area brought under vegetable cultivation during the quarter was 159.50 acres in Block I, 155.50 acres in Block II and 208.02 acres in the Converted C.D.Block (Block III).

Area treated against pests and diseases was 528.70 acres at the rate of 276.70 acres in Block I, 220.50 acres in Block II and 31.50 acres in the Converted C.D. Block.

163 practical demonstrations on various items like compost preparation, seed treatment, japanese method of rice cultivation, plant protection work, etc., were held in all the three blocks at the rate of 72 in Block I, 67 in Block II and 24 in Block III. 162.87 acres of lands were reclaimed at the rate of 71.65 acres in Block I, 32.10 acres in Block II and 59.12 acres in the Converted C.D. Block during the quarter.

Animal Husbandry:-

During the quarter, the number of cows artificially got inseminated in Block I, Block II and Block III was 244, 33 and 450 respectively. 90 scrub bulls in Block I, 126 in Block II and 261 in Block III were castrated. 15980 head of cattle were treated for various diseases at the rate of 2899 in Block I, 3138 in Block II and 9943 in Block III. 4090 head of cattle in Block I, 9045 in Block II and 8743 in Block III were inoculated and vaccinated. 101 individual families were induced to start diary farming at the rate of 7 in Block I, 86 in Block II and 8 in the Converted C.D. Block during the quarter.

Poultry:

1140 pedigree birds were supplied to farmers at the rate of 252 in Block I, 88 in Block II and 800 in Block III. In addition 1658 fertilized eggs of plymouth rock, rhode island red, etc., were also supplied to farmers in all the three Blocks. 1895 birds were protected or treated at the rate of 536, 580 and 779 in Block I, Block II and Block III respectively. 81 desicocks were caponised. 275 individuals were encouraged to start poultry farming at the rate of 37 in Block I 203 in Block II and 35 in Block III.

Fisheries: During the quarter 2902 improved varieties of fingerlings were supplied to farmers to develop inland pisciculture industry in the State at the rate of 320, 478 and 2104 in Block I, Block II and Block III respectively.

Health and Sanitation:-

During the quarter under report 61 soakage pits were constructed at the rate of 30 in Block I, 13 in Block II and 18 in Block III. 1975 yards of drains in Block I, 1400 yards in Block II and 3313 yards in the Converted C.D. Block were constructed. 86 rural latrines were constructed at the rate of 50, 13 and 23 in Block I, Block II and Block III respectively. 24 wells in Block I, 18 wells in Block II and 15 wells in Block III, were constructed and 120 wells were renovated at the rate of 30 in Block I, 73 in Block II and 17 in Block III. D.D.T. spraying was done against malaria in all the villages of the three blocks. 616 cases of ante-natal care of expectant mothers were attended to by the rural Mid-wives at the rate of 200, 186 and 230 in Block I, Block II and Block III respectively. 7260 persons were inoculated and vaccinated at the rate of 2600 in Block I, 2200 in Block II and 2460 in the Converted C.D. Block. 18 smokeless chulas were provided at the rate of 3 in Block I, 8 in Block II and 7 in the Converted C.D. Block.

Education and Social Education:

During the quarter under report, the Cadets and Officers of the junior division of the N.C.C. and A.C.C. in the schools of all the three blocks took part in the ceremonial parades on the Republic Day celebration and helped to maintain discipline on this occasion. Sarvodaya Day was observed on the 30th January in all the Educational Institutions of the three blocks. The pupils and the staff observed silence for two minutes to pay homage to martyrs who sacrified their lives for the liberation of India. Small Savings Day was observed on the 6th February in all the Government High Schools of the three development blocks and the staff and students took out processions in the main streets of the towns in this connection. The public were induced to invest money in National Plan Certificates and Small Savings Certificates to help themselves in particular and the country in general.

The results of the crop competition for which the Krishi Yuvak Sanghas of all the High Schools and a majority of the Senior Basic Schools of the Development Blocks entered were announced and the individuals received prizes at State level from the Chief Minister of Coorg in the Assembly Hall on the 21st March, 1956 in a grand function arranged on this occasion under the auspicies of the Coorg Agricultural Department.

During the quarter, 3 new feeder schools in Block I, 3 literacy classes in Block II and 1 literacy class in the Converted C.D. Block were started. 40 adults in Block I, 62 adults in Block II and 570 adults in Block III completed their training. Two recreation centres and one Information and Community Centre were started in Block I and one Recreation Centre was started in Block II. Eight Social Welfare Centres for women and children were opened in the Converted C.D. Block. On an average 150 women and 250 children were daily attending these centres. 70 Community Entertainments and 45 social guest lectures were arranged in Block I, while 108 Community Entertainments and 64 social guest lectures in Block II and 44 Community Entertainments and 50 social guest lectures were arranged in the Converted C.D. Block.

Arts, crafts and Industries:-

The two Weaving schools in Block I have functioned satisfactorily during the quarter and 30 adults were undergoing training in these schools. The Production-Cum-Relief Centre and the two Primary Societies also functioned well during the quarter.

Bamboo and Rattan works:- Sufficient funds were made available for the free supply of implements and raw materials to tribal people to promote industries like bamboo and rattan works.

Poultry farming:- The progress achieved in this fields during the quarter is satisfactory. 1140 pedigree birds

and 1658 eggs were supplied to farmers of the three Development Blocks.

Bee-keeping:- 1536 bee-hives were supplied to farmers during the quarter. The Bee-Keepers' Co-operative Societies has functioned well and the honey produced during the quarter was sold through the Weavers' Sales Emporium.

Pottery:- The progress achieved in the potteries' Centre in the Converted C.D. Block during the quarter is satisfactory.

Irrigation:-

In Block I, the constriction work of 6 tanks, 7 culverts and 3 bridges was in progress. The work of 20 new tanks has been undertaken by the Minor Irrigation Department during the quarter. Four furlongs of canals and one regulator were also constructed during the quarter in this Block. In the Converted C.D. 4 old tanks were repaired and 4¾ miles of canals were constructed during the quarter.

Communications:

In Block I, 4 miles and 110 yards of pucca roads and 18 miles and 7 furlongs of katcha roads were constructed during the quarter. In Block II, 3 furlongs of pucca roads and 9 miles, 4 furlongs and 30 yards of katcha roads were constructed. In addition 9 miles of katcha roads were repaired. In the Converted C.D. Block, 11 miles and 4 furlongs of pucca roads and 6 miles and 4 furlongs of katcha roads and 14 culverts were constructed during the quarter.

People's contribution:-

During the quarter, 7678 villagers in Block I, 3089 villagers in Block II and 4295½ villagers in the Converted C.D. Block participated in various Community works and the value of labour in terms of money is Rs.11,517/-, Rs.4544-8-0 and Rs.6443--4-0 respectively. Cash and other contributions worth Rs.17,293-8-0, Rs.12,150/- and Rs.49,135-13-0 were received from the people of Block I, Block II and Block III respectively during the quarter.

Community and other activities:- On the 26th January, the Republic Day was celebrated in all the village Centres and

and important towns of all the three blocks. Sports and games were arranged at all the Block headquarters on this occasion and sweets were distributed to the children of the villagers. In Block I, three cattle fair were held and the villagers participated in these functions. Many farmers exhibited their good cattle and fowls in the exhibitions arranged in this connection. Film shows were arranged by the Coorg Education Department to educate the villagers of all the three blocks and these were attended by the villagers in large numbers. Labour Rallies were conducted in some of the centres of the Development Blocks and there were good gatherings at all the Rallies. Best Athletes of labour classes were awarded prizes. Sarvodaya Day and Small Savings Day were observed in all the Village Centres and the Co-operative Marketing Week was also observed in all the village societies of the three blocks. The attitude of the villagers, village leaders and village organisations was very cordial and helpful to the block programme during the quarter.

PROGRAMME:

A. Agriculture and Animal Husbandry:

	Target for the programme period, if any.	Achievements during current quarter	Cumulative achievements at end of current quarter
(a) Distribution Scheme:			
Improved seeds distributed.			
1. Paddy.	Nil	5446	1228 Mds,13 lbs
2. Wheat.	Nil	Nil	Nil.
Fertilizers distributed:			
1. Ammonium sulphate.	Nil	3394(Mds)	36696 Mds.7 lbs
2. Super phosphate.			
Implements distributed:			
1. Iron plough (Nos)	Nil	37	560.
2. Intercultivator.	—	12	
3. Others.	—	63	
(b) Animal Husbandry and Veterinary aid.			
1. Key Village Centres started.	—	—	1.
2. Artificial insemination centres started, if any, not included under (1) above.	—	—	2.
3. Veterinary Dispensary started.	—	—	2.
4. Bulls castrated.	—	290	2518.
5. Pedigree animals supplied	—	6	12.
6. Pedigree birds supplied.	—	46	1644.
7. Poultry farms started	—	—	—
8. No.of animals inoculated	—	710	38579.
9 No. of animals vaccinated	—	4054	36169.
10. No. of animals treated.	—	1070	7327.
11. No. of Poultry treated.			
(c) Fisheries:			
1. No.of fingerlings supplied.	—	—	18
2. No.of tanks stocked with fish	—	—	17070
(d) Fruits:			
1. No.of fruit trees planted	—	—	—
2. Additional acreage brought under fruit trees. (acres)		15.10	1576-85.
(e) Vegetables:			
1. Additional acreage brought under kuxka xxxx vegetables.	—	188-75 (acres)	4908-88(acres)
(f) Afforestation:			
1. No. of trees planted (other than fruit trees)	During the quarter Vanamahatsava was celebrated and approximately 7000 trees were planted.		
(g) Compost pits dug (Nos)	—	78	1943.
(h) Demonstrations held.			
Seed treatment.	—	75	3796
Demonstration of the use of improved implements.	—	68	
Demonstration plots laid	—	107	
	—	250	

B. IRRIGATION:

1. Kutcha wells. } Wells are not being used for irrigation
2. Pucca wells } purpose in this State.

	Target for the programme period, if any.	Achievements during current quarter.	Cumulative achievements at end of current quarte
3. Tanks:			
a) New tanks constructed(Nos)	—	—	16.
b) Old tanks repaired.	—	6.	64.
c) Additional area brought under irrigation.	—	200 acres	2700 acres.
4. Tube wells.	There are no tube wells in this State.		
5. Canals:			
a) Length dug (miles)	—	—	51-4
b) Additional area irrigated (acres)	—	—	5638.
6. Others	—	—	—
7. Total additional area irrigation (acres)	—	—	8135.
C. Reclamation:			
1. Target for the programme period (acres to be reclaimed in acres)	—	—	—
2. Area reclaimed during current quarter.	—	141 acres	2445-17 acres.
3. Total area reclaimed at end of current quarter (acres)-		—	2445-17 "
D. HEALTH AND RURAL SANITATION:			
1. Hospitals:			
a) No.opened	—	—	3.
b) No.of beds provided.	—	—	2.
2. Dispensaries:			
a) No. opened.	—	—	—
b) No.of beds provided.	—	—	—
3. Child Welfare and Maternity Centres:			
a) No.opened.	—	—	—
b) No.of beds provided.	—	—	—
4. No. of first aid centres stated.	—	—	—
5. No.of Mobile Health Vans working		—	—
6. No.of persons treated in i) Hospitals ii) Dispensaries. iii) Child Welfare & Maternity iv) Centres. First aid centres v) Mobile Health Vans. vi) Total No.of persons treated.	—	—	—
7. No.of persons given preventive inoculated and vaccinated.	—	220	2820.
8. Drinking water wells a) Constructed	—	22	57
b) Renovated	—	41	
9. Latrines constructed	—	31	
10. Soakage pits constructed(Nos)	—	13	111
11. Drains constructed. a) Kucca.	—	2 mls.1 frl,26 Yds.	28 mls. 5 frls. 26 Yds.

	Target for the programme period, if any.	Achievements during current quarters.	Cumulative achievements at end of current quarter
EDUCATION:			
1. New schools started:			
i) Basic (Nos).	—	1	25
ii) Ordinary (Nos).	—	2	14.
2. No. Ordinary schools converted into basic type	—	—	—
3. No.of pupils attending schools			
a) Boys.	—	—	—
b) Girls.	—	—	—
SOCIAL EDUCATION:			
1. People's Organizations developed:			
a) Youth Clubs (Nos)	—	—	—
b) Farmers' Unions.	—	—	—
c) Mahila Samities (Nos)	—	—	—
d) Others.	—	—	—
		4	4
2. Community Centres started			
a) Community Recreation Centres.		2 (nos)	13
b) Libraries/Reading Rooms.		—	—
c) Others.		—	—
Reading Rooms started so far in this Block is			10.
3. Community Entertainments organized.	—	107	3010.
4. Adult Literacy:			
a) No.of Adult Education Centres started.	—	3	35
b) No. of adults made literate.		999	1319
5. Participation in Summer Camps:			
a) No. of A.C.C. and N.C.C.Cadets.		—	—
b) No. of students.		—	—
COMMUNICATION:			
1. Roads constructed:			
a) Kutcha (miles)	—	1 mile 2½ flgs.	906 mls,3½ flgs.
b) Pucca(Miles)	—	10 miles.	14 miles.
2. Existing roads improved:			
a) Kutcha(Miles)			
b) Pucca (miles)	—	1 mile,2½ flgs.	82 miles, 5½ flgs.
Culverts constructed(Nos)	—	9	16
Arts,Crafts and Industries:			
1. Demonstration-cum-training centres started (Nos)	—	—	—
2. No.of persons trained.			
a) refresher training.	—	—	—
b) basic training.	—	—	—
3. No.of industrial units assited by Govt.			
a) new units started	—	—	—
b) old units revived	—	—	—
4. Loans Assistance:			
a) Amount of loan given.	—	—	1,51,040/-
b) Amount of loan repaid	-	—	-
5. Additional employment provided.			
a) No.of persons fully employed.		—	-
b) No. of persons partly employed.		—	-

V. PROGRAMMES:

A. Agriculture and Animal Husbandry:

	Target for the programme period, if any.	Achievements during current quarter	Cumulative achievements at end of current quarter
(a) Distribution Scheme: Improved seeds distributed.			
1. Paddy.	Nil	944	1228 Mds,13 lbs
2. Wheat.	Nil	Nil	Nil.
Fertilizers distributed:			
1. Ammonium sulphate.	Nil	3394(Mds)	36696 Mds.7 lbs
2. Super phosphate.			
Implements distributed:			
1. Iron plough (Nos)	Nil	37	560.
2. Intercultivator.	—	12	
3. Others.	—	63	
(b) Animal Husbandry and Veterinary aid.			
1. New Village Centres started.	—	—	1.
2. Artificial Insemination centres started, if any, not included under (1) above.	—	—	2.
3. Veterinary Dispensary started.	—	—	2.
4. Bulls castrated.	—	290	2518.
5. Pedigree animals supplied	—	6	12.
6. Pedigree birds supplied.	—	46	1644.
7. Poultry farms started	—	—	—
8. No.of animals inoculated			
9 No. of animals vaccinated	—	710	38579.
10. No. of animals treated.	—	4054	36169.
11. No. of Poultry treated.	—	1070	7327.
(c) Fisheries:			
1. No.of fingerlings supplied.	—	—	12
2. Nof tanks stocked with fish	—	—	17070
(d) Fruits:			
1. No.of fruit trees planted	—	—	
2. Additional acreage brought under fruit trees. (acres)		15.10	1576-85.
(e) Vegetables:			
1. Additional acreage brought under ~~fruit~~ trees vegetables.	—	188-75 (acres)	4908-88(acre
(f) Afforestation:			
1. No. of trees planted (other than fruit trees)	During the quarter Vanamahatsava was celebrated and approximately 7000 trees were planted.		
(g) Compost pits dug (Nos)	—	78	1943.
(h) Demonstrations held.			
Seed treatment.	—	75	
Demonstration of the use of improved implements.	—	68	3796.
Demonstration plots laid	—	107	
		250	

B. IRRIGATION:

1. Kutcha wells.
2. Pucca wells

Wells are not being used for irrigation purpose in this State.

	Target for the programme period, if any.	Achievements during current quarter.	Cumulative achievements at end of current quarter
3. Tanks:			
a) New tanks constructed(Nos)	—	--	16.
b) Old tanks repaired.	--	6.	64.
c) Additional area brought under irrigation.	—	200 acres	2700 acres.
4. Tube Wells.	There are no tube wells in this State.		
5. Canals:			
a) Length dug (miles)	--	--	51-4
b) Additional area irrigated (acres)	-	--	5638.
6. Others	--	--	--
7. Total additional area irrigation (acres)	--	--	8135.
C. REclamation:			
1. Target for the programme period (acrea to be reclaimed in acres)	--	--	--
2. Area reclaimed during current quarter.	--	141 acres	2445-17 acres.
3. Total area reclaimed at end of current quarter (acres)-		--	2445-17 "
D. HEALTH AND RURAL SANITATION:			
1. Hospitals:			
a) No.opened	--	--	3.
b) No.of beds provided.	--	--	2.
2. Dispensaries:			
a) No. opened.	--	--	--
b) No.of beds provided.	--	--	--

a) No.opened.	--	--	--
b) No.of beds provided.	--	--	--
4. No. of first aid centres stated.	--	--	--
5. No.of Mobile Health Vans working		--	--
6. No.of persons treated in			
i) Hospitals ii) Dispensaries. iii) Child Welfare & Maternity iv) Centres. First aid centres v) Mobile Health Vans.	--	--	--
vi) Total No.of persons treated.			
7. No.of persons given preventive inoculated and vaccinated.	--	220	2820
8. Drinking water wells			
a) Constructed	--	22	57
b) Renovated	--	41	
9. Latrines constructed	--	31	
10. Soakage pits constructed(Nos)	--	13	111
11. Drains constructed.	--	2 mls.1 frl,26 Yds.	28 mls, 5 frls. 26 Yds.
a) Pucca.			

82

	Target for the programme period, if any.	Achievements during current quarters.	Cumulative achievements at end of current quarte
E. EDUCATION:			
1. New schools started:			
i) Basic (Nos).	—	1	25
ii) Ordinary (Nos).	—	2	14.
2. Ex Ordinary schools converted into basic type	—	—	—
3. No.of pupils attending schools			
a) Boys.	—	—	—
b) Girls.	—	—	—
SOCIAL EDUCATION:			
1. People's Organizations developed:			
a) Youth Clubs (Nos)	—	—	—
b) Farmers' Unions.	—	—	—
c) Mahila Samities (Nos)	—	—	—
d) Others.	—	—	—
		4	4
2. Community Centres started			
a) Community Recreation Centres.		2 (nos)	13
b) Libraries/Reading Rooms.		—	—
c) Others.		—	—
Reading Rooms started so far in this Block is			10.
3. Community Entertainments organized.	—	107	3010.
4. Adult Literacy:			
a) No.of Adult Education Centres started.	—	3	35
b) No. of adults made literate.		559	1319
5. Participation in Summer Camps:			
a) No. of A.C.C. and N.C.C.Cadets.		—	—
b) No. of students.		—	—
G. COMMUNICATION:			
1. Roads constructed:			
a) Kacha (miles)	—	1 mile 2¼ flgs.	906 mls,3¼ flgs
b) Pucca(Miles)	—	10 miles.	14 miles.
2. Existing roads improved:			
a) Katcha(Miles)			
b) Pucca (miles)	—	1 mile,2¼ flgs.	82 miles, 5¼ flgs.
3. Culverts constructed(Nos)	—	9	16
H. Arts,Crafts and Industries:			
1.Demonstration-cum-training centres started (Nos)	—	—	—
2.No.of persons trained.			
a) refresher training.	—	—	—
b) basic training.	—	—	—
3.No.of industrial units assited by Govt.			
a) new units started	—	—	—
b) old units revived	—	—	—
4.Loans Assistance:			
a) Amount of loan given.	—	—	1,51,040/-
b) Amount of loan repaid -		—	-
5.Additional employment provided.			
a) No.of persons fully employed.		—	-
b) No. of persons partly employed.		—	-
6.Value of out put.		—	-

	Target for the programme period, if any.	Achievements during current quarters.	Cumulative achievements at end of current quarter.
I. CO-OPERATION:			
1. No.of Co-operative Societies stated.			
a) Credit Societies.	--	--	51.
b) Industrial Co-operatives.	--	--	--
c) Multipurpose Co-operative Societies.	--	--	--
d) Others (Grain Banks)	--	--	15.
2. Converted Co-operative Societies		--	--
